Perigon Pharmacy 360, its employees, workforce members and members of Perigon Pharmacy 360’s affiliated covered entity who are involved in providing and coordinating health care are all bound to follow the terms of this Notice of Privacy Practices (“Notice”). We are required by HIPAA to provide this Notice to you.

Perigon Pharmacy 360 is required to follow the terms of this Notice or any change to it that is in effect. HOW WE MAY USE AND DISCLOSE YOUR PHI

The following categories describe different ways that we use and disclose your PHI. We have provided you with examples in certain categories; however, not every permissible use or disclosure will be listed in this Notice. Note that some types of PHI, such as HIV information, genetic information, alcohol and/or substance abuse records, and mental health records may be subject to special confidentiality protections under applicable state or federal law and we will abide by these special protections. If you would like additional information about special state law protections, you may contact the Perigon Pharmacy 360 Chief Privacy Officer (see contact information below).

1. Uses and Disclosures of PHI That Do Not Require Your Prior Authorization Except where prohibited by federal or state laws that require special privacy protections, we may use and dis-

close your PHI for treatment, payment and healthcare operations without your prior authorization as follows:

Treatment We may use and disclose your PHI to provide and coordinate the treatment, medications and services you receive. For example, we may disclose PHI to pharmacists, doctors, nurses, technicians and other personnel involved in your health care.
